

### **Notice for Oral Presentation**

1. The program will be uploaded by 30 September on the web site of STECH2015. Please confirm the session where you present.
2. The presenter is asked to come to the session room 20 minutes before the session starts and notify the staff in the session room of your arrival.
3. A laptop PC operated by Windows 7 or higher version is prepared at the session room. Microsoft Office 2010 or the higher version is installed. So please make the presentation file that can be operated by Microsoft Office or in PDF format and bring it with you in USB memory. If you prefer, you can use your own laptop PC, however please note we prepare only VGA interface.
4. The presentation time is 15minutes and 4 minutes discussion follows.
5. During the session, please follow the instruction of the chair persons.
