

Notice for Shotgun and Poster Presentation

1. The poster presenter is asked to introduce your presentation at the shotgun session as well as display the poster.
2. The program will be uploaded by 30 September on the web site of STECH2015. Please confirm the session where you present.
3. The presentation time of the shotgun session is 1 minutes with 1 slide. The poster presenter is asked to make the slide using Microsoft PowerPoint and send it to the conference secretariat as indicated below.
4. Please bring the printed poster with you. You cannot print the poster file at the conference site. The size of the panel to display the poster is W900mm×H2100mm. Do not bring the oversized poster.
5. The program will be uploaded by 30 September on the web site of STECH2015. Please confirm the presentation number, the shotgun session room and the poster display room.
6. The presenter is asked to display the poster on the board indicated by your presentation number at least before the shotgun session starts. The poster can be displayed between 9am on the first day and 12am on the third day. Please do not forget to remove the poster.

The presentation file for the shotgun session should be sent to

stech2015-paper@shin-sen.jp

by 12pm on 25 October, Japan Standard Time.

The presentation file should be made by Microsoft PowerPoint. Only one slide page is allowed. **DO NOT CONTAIN TWO OR MORE SLIDES.**
